It will carry preferential mail, with a parcel post truck scheduled to arrive in Harrisburg daily except Mondays.

Announces New Plan
Stratton Orders 'Freeze' of State Pay Brackets Until July 1

SPRINGFIELD — Gov. William G. Stratton today ordered a "freeze" of state employees in their salary brackets and job classifications until a new pay and classification program is effective July 1. Stratton announced details of a pay increase plan for employees under the new Personnel Department and for state policemen Saturday.

The "freeze" order applies to all employees under the governor, and Stratton said other elected state officials who plan to follow the governor's new salary program would be asked to similarly "stabilize" existing pay scales.

Mrs. Robert Dunbar, Formerly of Ledford, Dies in California

Funeral services will be held Tuesday in Corona, Calif., for Mrs. Robert (Maude) Dunbar, former Ledford resident, who died at her home in Corona Thursday.

Mrs. Dunbar had lived in Ledford most of her life before moving to Pontiac, Mich., in 1942 and in 1952 the family moved to Corona. She was the last member of her family, her parents, two sisters and two brothers having preceded her in death.

Survivors include her husband, Robert Dunbar; two children, Mrs. Hubert (Elsie) Waltz of Kankakee and Bob Dunbar, Corona. There are four grandchildren and one great-grandchild. She was an aunt of Mrs. Bernice Maddox and Harold Lynch of Ledford, Clifford Lynch of Marion and Mrs. Dorothy McFarlan of Evansville.

Both plans would have to be approved by the Legislature which must appropriate the money.

Both plans are designed to bring present employees to the maximums of their new pay ranges by gradual steps during the next two years. New employees, meanwhile, would be started at the minimums in the new pay ranges.

The state police pay plan includes a proposal for a new rank of corporal, which would be paid in a range of \$360 to \$460 a month. Patrolmen, who now receive from \$230 to \$360 a month, would be increased to a range of \$350

Capital Pays Final Tribute To Sen. McCarthy

Services Held In Cathedral and Senate Chamber

WASHINGTON — The capital said farewell to Sen. Joseph R. McCarthy today with eulogies in church and Senate chamber for his campaigns against communism.

In high-vaulted St. Matthew's Cathedral, where McCarthy was married four years ago, his grieving widow and friends heard him praised as a courageous "watchman of the citadel."

Then in the Senate chamber where he rose to prominence and later was condemned by his colleagues, the controversial Republican from Wisconsin was extolled as an intrepid fighter against the "malignant power of darkness."

The two ceremonies preceded the departure of an airplane bearing McCarthy's body back to his home town, Appleton, Wis., for final burial rites Tuesday. McCarthy died unexpectedly Thursday at Bethesda Naval Medical Center of a liver ailment.

At St. Matthew's before 2,000 mourners Archbishop Patrick A. O'Boyle sang a solemn pontifical Mass of requiem over the flag-draped casket. The cathedral's pastor, the Rt. Rev. Msgr. John K. Cartwright, praised McCarthy as a courageous "watchman" who alerted his countrymen to the menace of communism.

An Intrepid Fighter
Mrs. McCarthy, the beautiful 31-year-old Jean, held back her tears until the very end of the cathedral service. When Archbishop O'Boyle took her hand and spoke a few gentle words, she bowed her head and wept for a moment.

In the chamber where he had served more than 10 years, McCarthy was praised by the Senate chaplain, the Rev. Dr. Frederick Brown Harris, as an intrepid fighter against "insidious enemies of the republic, malignant powers of darkness."

The senator's body was brought to the chamber from St. Matthew's in a flag-draped casket which was placed before the flower-banked rostrum.

McCarthy's was the first funeral service in the Senate chamber since Jan. 22, 1940, when rites were conducted there for the late Sen. William E. Borah (R-Idaho).

The Senate ceremony was requested by Mrs. McCarthy. Immediately after the rites the chamber was cleared and the Senate (Continued on Page Six)

Two Brothers, Albert, Elwood, Seriously Hurt

Auto Accident Occurs On Return From Kentucky Derby

An Eldorado man was fatally injured and two of his brothers were injured seriously late Saturday night while returning home from the Kentucky Derby.

Dead is Donald Gidcumb, 28, who was driving the auto at the time. He died in Ferrell hospital at Eldorado at 6 p. m. Sunday.

Taken to Ferrell hospital suffering severe cuts and bruises were his brothers, Albert, 32, and Elwood, 40.

The accident occurred north of Omaha when the car crashed into a tree after failing to stop at Illinois Route 1 while travelling westward on Route 141.

According to the surviving brothers the three were returning to Eldorado after attending the Kentucky Derby at Louisville. After passing through Evansville, Albert, who had been driving, became sleepy and turned the wheel over to Donald.

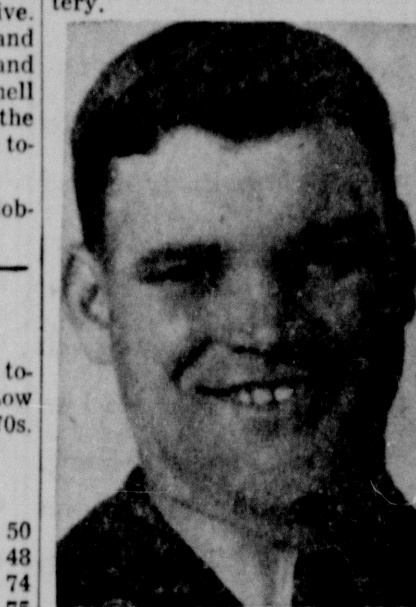

The brothers said they believed the car's brakes failed at the intersection stop sign and continued across Route 1 to crash into the tree. The brothers said they were asleep at the time of the crash.

Donald, who was employed at the Eldorado Grain Co., leaves his wife, Betty, and a year old daughter.

He also leaves his parents, Mr. and Mrs. L. E. Gidcumb of Eldorado; and besides the two who were injured these brothers: Eugene, connected with the Federal Wholesale Co. of Eldorado; Rockwell of Cincinnati, Ohio; and Englebert of Los Angeles, Calif. He also leaves a sister, Mrs. Violet Endicott of East Alton.

The body lies in state at Martin funeral home.

The funeral will be held Wednesday at 2 p. m. in the Church of God in Eldorado. The Rev. V. B. Rains will officiate assisted by the Rev. Lawrence Gibson. Burial will be in the Wolf Creek cemetery.

SIU Theatre Group to Perform At New Salem Park

CARBONDALE, Ill. — Southern Illinois University's campus drama organization, the Southern Players, will move into a new summer home this June.

The theater group, which has performed for the past two summers at the Shepherd of the Hills Theatre in Branson, Mo., has announced plans for a six-week run at New Salem State Park near Petersburg, July 3-Aug. 11. The cast will start rehearsals at New Salem with the beginning of the SIU summer session, June 17.

Dr. Archibald McLeod, director of the Southern Players, said the new summer program has been arranged through the state park board and over a dozen Petersburg civic and service organizations who requested a summer playbill by the group.

Included on the program of six plays will be an Abraham Lincoln drama which may become — as did "Shepherd of the Hills" at Branson — a yearly feature of the series. New Salem State Park has been the scene of a staging of "Abe Lincoln in Illinois" each year in August.

Other plays scheduled this summer are: "George Washington Slept Here," by Kaufman and Hart (July 3-7); "Our American Cousin," by Tom Taylor (July 10-14); "Shepherd of the Hills," adapted by Charlotte McLeod (July 17-21); "The Skin of Our Teeth," by Thornton Wilder (July 31-Aug. 4); and Shakespeare's "A Midsummer Night's Dream" (Aug. 7-11).

"Our American Cousin" is the 19th century melodrama which Lincoln was watching the night he was assassinated. It will be staged also on the SIU campus the third week in May.

The summer course in practical theater is offered for 12 credit hours at Southern. Cast members will make their own costumes and scenery and be responsible for all other technical details of staging and production.

Facilities at New Salem State Park, located two miles south of Petersburg and some 20 miles northwest of Springfield, include a large arena-type stage with two side stages and an amphitheatre seating over 1,000.

LITTLE LIZ

It seems like the people who have all the luck are the ones who never depend on it.

CONSTIPATED?

New laxative discovery un-locks bowel blocks
without gag, bloat or gripe

Constipation is caused by what doctors call a "thrifty" colon that, instead of retaining moisture as it should, does the opposite: robs the colon of so much moisture that its contents become dehydrated, so dry that they block the bowel; so shrunken that they fail to excite or stimulate the urge to purge that propels and expels waste from your body.

To regain normal regularity, the dry, shrunken, constipating contents of your colon which now block your bowel must be re-moistened. Second, bulk must be brought to your colon to S-T-R-E-T-C-H STIMULATE it to action; to a normal urge to purge. And, of all laxatives, only COLONOID, the amazing new laxative discovery possesses COLONOID's great moisturizing capacity, plus COLONOID's stretching bulk. So effective it relieves even chronic constipation overnight, COLONOID is yet so smooth, so gentle it has proved safe even for women in critical stages of pregnancy. Superior to old style bulk, salt or drug laxatives, COLONOID neither gags, bloats nor grips; won't interfere with absorption of vitamins and other valuable food nutrients; in clinical tests, did not cause rash or other reactions. It's a physiological fact: Exercise tones your body! And COLONOID exercises your colon to tone it against constipation, overnight! Get COLONOID, in easy-to-take tablet form at any drug counter, today! Only 98c for the 60 tablet package, brings positive relief at less than 2c per tablet.

Candlelight Unit Meets With Mrs. John Wagner

The Candlelight unit of Saline County Home Bureau met Wednesday, April 24, at the home of Mrs. John Wagner on West Sloan street, with 12 members present.

After the business meeting, presided over by Mrs. Ed Bean, president, the minor topic was presented by Mrs. Bill Keen on "Roses and Their Care." Mrs. Keen brought out the different types of roses, buying, planting, pruning and various other details necessary for a healthy rose bush.

Mrs. Wagner presented the major lesson on "Canning and Freezing." As part of the lesson she demonstrated various methods of freezing, various containers used and advantages of each.

Mrs. Wagner was assisted in serving refreshments of strawberry pie and coffee by Mrs. John Slightom, Mrs. Fred Fiscus and Mrs. Roy Thompson.

The following Saturday, April 27, at 7 p. m., 22 members and their husbands met at Kurt's country club for a dinner of barbecued chicken, served from tables decorated with a combination of spring flowers.

After the dinner a white elephant auction was held with Bill Keen as auctioneer. This was planned as a money making project for the unit and proved very successful.

The remainder of the evening was spent in dancing and just visiting.

The committee in charge of the party was Mrs. Bill Keen, chairman, Mrs. Roy Thompson, Mrs. Ed Bean, Mrs. Glenn Wallace and Mrs. Earl Clark.

No Voters on Necks

Truman, Stevenson Differ with Congress Democrats on Budget

WASHINGTON (UP)—Democratic leaders outside of Congress sound much less concerned with demands to cut President Eisenhower's budget than do Democrats in Congress who have the hot breaths of the voters on their necks.

This was one inference to be drawn from what was heard at the week-end series of meetings and conferences attended by Democrats from throughout the country.

There was complete agreement among Democrats in and out of Congress that the administration is floundering in its maybe-it-is, maybe-it-isn't-too-big attitude toward the budget.

Truman Speaks Up

When former President Truman spoke of the 72 billion dollar Eisenhower budget, he invited the Democratic majority in Congress "to tear the thing to pieces." But he also said:

"Our national economy is strong enough to support a budget of the size recommended by the President if that is what it takes to do the job, and all this talk about it bringing on a depression that will curl your hair is just plain nonsense."

Gov. G. Mennen Williams of Michigan, a prospective candidate for the 1960 presidential nomination, said Democrats keeping faith with their platform will not "co-operate with Republican reactionaries to meat-axe the Eisenhower budget."

Adlai E. Stevenson, 1952 and 1956 Democratic presidential nominee, included similar remarks in his prepared text for Saturday night's \$100-a-plate dinner although he did not deliver them. However he did not repudiate this statement:

Sees Tax Reduction

Thinking It Over

By Robert L. Dieffenbacher, D. D.
(Written for NEA Service)

We become so attached to pets that we sometimes think of them as having human personalities. These animals learn to do what we teach them to do. Sometimes they learn things from us that we do not teach them.

Pets develop into the products of their masters. We talk to them and occasionally feel that they talk to us. Generally we are very patient with our animal

companions. Sometimes we are more patient with them than we are with our human companions or loved ones.

Certainly we ought to be as kind to our fellowmen as we are to our pets. Likewise we ought to listen to God's voice more than we listen to the conversation of our puppies. God and people could help to raise our spiritual sights if we shared our love and fellowship with them as effectively as we love our four-footed companions.

Oddity

The earth is nearer the sun in winter than in summer. The Northern Hemisphere has its summer when the earth is about 3,000,000 miles farther away from the sun than at any other season.

New Crisis in Colombia by Student's Death

BOGATA (AP)—Students angered by the death of a teenager in week end rioting here called on the Colombian people today to support a 24-hour "general strike" against President Gustavo Rojas Pinilla.

Twelve opposition newspapers in various cities responded to the call by announcing that they will suspend publication indefinitely. Two of them shut down Sunday, saying that emergency regulations made it impossible for them to publish.

Sixteen-year-old Ernesto Aparicio, who died of a throat wound Sunday night, was the first fatality of the noisy but usually non-violent anti-government demonstrations that flared up here last week.

He is believed to have been injured by the firing pin of a tear gas bomb when police gassed the congregation of the Porciuncula Church, whose priest was preaching an anti-government sermon.

The army took over the city Saturday night, ostensibly as part of a "routine military exercise."

The disorders in Colombia were touched off by Rojas' aspiration for a second term.

The President, a lieutenant general seized power from Laureano Gomez in a military coup d'etat in June, 1953. A little more than a year later, he was "elected" president by a constitutional convention.

AFL-CIO Charges Beck, Brewster Used Funds for Personal Purposes

WASHINGTON (AP)—The AFL-CIO today charged Teamster President Dave Beck and Vice President Frank Brewster with using union funds for "personal purposes" and using their positions for "personal profit or advantage."

Teamster Vice President Sydney Brennan of Minneapolis, who has been convicted of accepting money from an employer, was charged with "corrupt activities" by the AFL-CIO.

And the entire Teamsters Union leadership was charged with failing to take action against the three.

The bill of particulars was contained in a 22-page statement presented before the AFL-CIO Ethical Practices Committee as it started its hearing on the question whether the big Teamsters Union is dominated or substantially influenced by "corrupt influence."

After getting the detailed charges, the Teamsters leadership asked for and was granted a recess to prepare the union's defense. The Ethical Practices Committee announced that it would meet again May 24 "to consider any material which the Teamsters Union desires to present."

"Slander," Says Beck

The AFL-CIO charges were spelled out after Beck himself accused the parent union in an opening statement of conducting a "medieval inquisition and witch hunt" at the hearing.

Beck backed up in his statement by other members of the Teamster Executive Board, denounced the general charge of corruption as "malicious and unfounded slander."

Beck demanded that the committee provide the Teamster leaders a bill of "particulars" as to the charges against the union. He said the board members had come to the hearing "solely" to find out whether they would get a detailed breakdown of the allegations.

It was after he spoke that the committee came up with a 22-page

Stratton Orders Pay Freeze Until July 1

(Continued from Page One)

to \$440 a month. Under the plan of gradual increases, all patrolmen now on the force would get \$377 a month as of July 1, move up to \$428 by March 1, 1959, and to the maximum of \$440 a month by July 1, 1959 when the new budget period starts.

Sergeants, now paid \$252 to \$400 a month, would have a new range of \$380 to \$490 a month, also providing for gradual increases.

The pay scale for lieutenants would go up from the present \$276-\$420 a month to \$420 to \$340 a month.

New Pay Ranges

Captains would be raised from the present \$330 to \$460 a month to a new range of \$450 to \$585.

The pay increase plan for state employees under the new personnel code was based on a complete reclassification. Thus, there is no "average" or "across the board" increase.

The greater pay increases will go to the lower paid brackets of employees.

The pay raise plan is designed to bring present employees up to the new maximums for their classifications by July 1, 1959. After that, all employees would reach the maximums for their classifications within four years after being hired.

Here are some typical examples of the increases for various jobs, with the present pay scale listed first and the proposed new pay scale listed second:

Clerk typist I, \$145-\$230 a month—\$280-\$318; mental hospital attendant, \$145-\$230 a month—\$247-\$301; physician I, \$360-\$550 a month—\$536-\$655; psychiatrist I, \$400-\$600 a month—\$599-\$755; child welfare worker, \$211-\$330 a month—\$369-\$451; elementary teacher, \$252-\$400 a month—\$369-\$451; prison guard, \$193-\$300 a month—\$286-\$350; mining inspector, \$330-\$500 a month—\$429-\$525; state hospital superintendent, \$660-\$980 a month—\$928-\$1,134; public aid visitor, \$193-\$300 a month—\$300-\$377.

Teen-Age Vice Increasing, Group Reports

WASHINGTON (AP)—Prostitution, venereal disease, drug addiction and drinking are increasing alarmingly among American teenagers, a Senate Judiciary subcommittee report showed today.

Chairman Thomas C. Hennings (D-Mo.) called for a "partnership" between Congress and state and local authorities "to do something about this blot on the American scene."

The subcommittee said more than one million youths between 10 and 17 will be brought before the courts in 1965 if the present upward trend in juvenile delinquency continues. This compares with an estimated 530,000 juvenile court cases this year.

Four-Year Study

The subcommittee issued a special 250-page report Sunday night on the results of nearly four years of nationwide hearings.

It criticized theories that lack of recreation and slum housing conditions are among chief causes of the nation's increasing delinquency rate.

While good recreation planning is a "potentially potent agent in preventing crime and delinquency," it said, the average delinquent is "considerably more socialized," than his non-delinquent contemporaries.

"It is partly through his group interests and activities that he gets into trouble in the first place," the report said. The "fighting gangs" are a product of the "need to belong," it added.

Tommy Manville Takes 10th Bride

NEW YORK (AP)—Tommy Manville, 63, went through his 12th wedding ceremony Sunday.

The bride was 6-foot blond showgirl Pat Gaston, 26, of Texas.

General Sessions Judge Mitchell D. Schweitzer skimmed through the "obey"-less ceremony in just under one minute.

It was Miss Gaston's first marriage. Manville has said "I do" 12 times, not counting rehearsals, but to only 10 women. Two of his mates served two terms.

Mrs. Brooks Named Illinois Republican Committeewoman

Mrs. Brooks, Chicago, was unanimously elected to the post Saturday by the Illinois GOP Central Committee. She succeeds Mrs. Wesley Dixon, Lake Forest, who retired for reasons of health.

Mrs. Brooks said "I accept the honor as a tribute to my husband."

Rash of Fires in Building at Anna

ANNA, Ill. (AP)—A rash of fires in a two-story frame apartment building Saturday caused \$20,000 damage and drove three families from the building.

Firemen blamed an overheated rubbish pile for originating the first of the three blazes. A stove under a first floor rear landing heated the trash until it ignited.

The firemen were called back to fight a second fire in the building which broke out in one of the apartments, and while bringing this one under control, another blaze started up in a second apartment.

Causes of the last two fires were undetermined.

Israel Unwraps Military Aid From France

By United Press

Israel celebrated its ninth independence day today by disclosing it had received massive supplies of French armor and jet planes that could help swing the balance of power in the Middle East.

At the same time its navy units maneuvered at Eilat on the Gulf of Aqaba in a naval show that emphasized Israel's intention to sail the gulf and which brought words of warning from Jordan.

Israel took the wraps off its French military aid with a parade at Tel Aviv which showed that more than 80 per cent of the Israeli heavy equipment was from France.

Thirty-six French-built Mystere jets flashed overhead—more than three times the number Israel ever had acknowledged receiving from France.

In addition to the French equipment and the disclosure that Israel is moving away from dependence on the United States for military aid, Israel showed off an impressive collection of captured equipment—Russian tanks and guns taken from Egypt in the Sinai Desert.

More than 500,000 Israelis turned out for the parade, but conspicuous by their absence were the diplomatic representatives of Russia, Bulgaria, Romania and Czechoslovakia. Russia and Czechoslovakia had supplied Egypt with much of

Dr. Harris, as chaplain, spoke for the Senate. He is a Methodist. The priest who married McCarthy and the former Jean Kerr in 1953, the Rev. William J. Awalt, conducted Catholic services.

Several hundred persons crowded the Capitol plaza as the eight, sharply drilled Marine pallbearers placed the coffin in the hearse. Mrs. McCarthy and some of the family followed in a black limousine.

The casket was taken to a waiting Military Air Transport Service plane at Bolling Air Force Base for the flight to Green Bay, Wis. From there, the body will be taken by hearse to Appleton, Wis., for Tuesday's final rites and burial.

Shoemaker Takes Rap for Gallant Man's Loss But Trainer Blames Pole Markings

LOUISVILLE, Ky. (AP) — Willie Shoemaker took the rap for Gallant Man's nose defeat by Iron Liege in the Kentucky Derby, but trainer John Nerud today blamed improper pole markings at Churchill Downs for the \$100,000 "rock."

"I blame the race track more than Willie for the error," said Nerud, who talked Shoemaker into riding Gallant Man after the colt's regular pilot, John Choquette, was suspended almost on the eve of the classic.

Nerud went on to explain that at most race tracks the poles used to designate the final furlong, the last sixteenth (110 yards) and the

finish line are varied colored. Poles Same Color

"All the poles are the same color at Churchill Downs," he added. "And the finish line should be plainly marked, especially when they have the winner's circle where it is, up the track from the finish."

Because Shoemaker misjudged the finish line, Gallant Man was thrown off stride for only a fraction of a second, but to owner Ralph Lowe of Midland, Tex., it meant the difference between a first place pot of \$107,950 and the runner-up prize of \$25,000.

Nerud still isn't sure whether he will give Gallant Man another crack at Iron Liege in the Preakness at Pimlico, May 18, but if he does run in the second of the Triple Crown classics, Shoemaker again will be in the saddle.

"I would be glad to have Shoemaker back on my horse," Nerud declared. "I can't think of a better boy."

Break for Hartack

Both Gallant Man and Bold Ruler, the Derby favorite who finished fourth, were heading back to New York today. Bold Ruler is expected to start in the Preakness, but Nerud wants to delay a decision on Gallant Man because "he is rather delicate . . . and he has had two rough races in a row."

Iron Liege and his stablemate, Gen. Duke, who was scratched from the Derby because of an ailing foot, will leave Tuesday for Pimlico.

Among the other Derby starters, Round Table (third) and Federal Hill (fifth) also are considered probable entries in the Preakness, along with such non-Derby starters as Inswep, High Sparkle, Gannet, Big Paddy, Cohoes and Nah Miss.

When Gen. Duke was scratched from the Derby Saturday morning, Willie Hartack was switched from "The General" to Iron Liege, replacing Dave Erb. It was a big break for Hartack and he took full advantage of it, saving ground with Iron Liege most of the way to account for his first Derby victory.

Eastern Wins Illinois State College Track Title

CARBONDALE, Ill. (AP) — Winston Brown posted the only double win in leading Eastern Illinois to the Illinois State College track title Saturday.

Brown raced to victories in the 100 and 220 yard dashes as Eastern defeated Illinois Normal, Western Illinois and Southern Illinois in the annual track event.

Brown set a meet record in the 220 with a time of 21.1, breaking the former mark of 21.4. He also equalled the meet mark of 9.6 in the 100 yard dash.

Eastern scored 65 1-2 points, Illinois Normal 58, Western Illinois 54, and SIU 45 1-2.

Other stars were SIU's Larry Lambert with a 15.6 clocking in the 120-yard high hurdles; Dave Schinnamin of Illinois Normal who won the 880 in 1:57.6, and Western's Fred Sandoval who ran the two mile in 9:51.3.

Ridgway Hurler Tosses No-Hitter In 22-1 Victory

Earnie Clifford, Ridgway high school, pitched a no-hitter against Galatia Friday afternoon, with Ridgway winning 22-1 in five innings.

Only three Galatia runners reached base, two hit by the pitcher and one on a walk. The Galatia run scored on a walk, hit batsman, sacrifice to third and then crossing the plate during a run-down play.

Hise, Ridgway catcher, paced the batters with 4 hits in 5 tries, including a triple, two doubles and a single.

Bob Dallas Ridgway team now has a season's record of 5 wins and 2 defeats.

SIU Alumni Beat Varsity, 34-0

CARBONDALE, Ill. (AP) — The alumni squad ran roughshod over the Southern Illinois varsity Saturday, 34-0, in the annual game ending spring drills.

Jack Schneider was the top scorer with two touchdowns, one on a 24-yard run.

VFW Nine Edges Cisne, 3 to 2, In League Tilt

The Harrisburg VFW baseball team scored its second win of the young baseball season and its first Oil Belt League game by downing the Cisne club on the Cisne diamond 3-2 Sunday afternoon.

Big Bill McNew hurled a fine game in leading his team to victory. Bill pitched an eight-hitter and clubbed out two hits to aid his own cause. The VFW team played good tight baseball to pick up another close win.

The VFW team scored first in the fourth inning on Dick Romonosky's single, a sacrifice and stolen base and a sacrifice fly. The locals scored again in the sixth on hits by Miller and McNew, a bunt sacrifice by Stout and a sacrifice fly by Flash Griffith. The final run scored in the eighth on Griffith's walk, a stolen base, Logsdon's walk, a fielder's choice and Dallas' long sacrifice fly. Englebright hit the only homer of the game, a long drive over the left field wall. This blow followed a neat double play from Griffith to Stout to Dallas. Don Wallace and Bob Dallas contributed great fielding plays along with the Stout-Griffith gem already mentioned.

Next Sunday the VFW team will play the Mt. Carmel baseball team in another Oil Belt League game on the VFW field. Teams in the Oil Belt League are Cisne, Albion, Springfield, Norris City, McLeansboro, Thompsonville, Mt. Carmel and Harrisburg.

The VFW will practice Saturday at 5 p. m.

Yankees Sweep 3 Straight From White Sox; Take Over First Place in American L.

By United Press

All it took was a week end for the Yankees to break up the White Sox' pennant pipe dream and disillusion a lot of fans who were beginning to believe this might be an "off-year" for the Bronx Bombers.

The Yankees beat the White Sox three straight, including a 4-2 and 3-0 doubleheader sweep Sunday, while running their winning streak to six games and taking over sole possession of the American League lead for the first time this season.

The Red Sox also swept a doubleheader from the Indians, 5-1 and 4-3; the Tigers topped the Orioles, 3-1, and the Athletics sent the Senators down to their seventh straight defeat, 7-2.

Braves Increase Lead

Milwaukee increased its National League lead to two games with a 10-7 victory over Brooklyn; Cincinnati extended its winning streak to seven games by beating Pittsburgh twice, 6-2 and 7-3; St. Louis took both ends of a twin-bill from Philadelphia, 8-4 and 2-0, and New York won the nightcap of a doubleheader, 6-2, after Chicago ended a nine-game losing streak with a 10 - inning 8-3 triumph in the opener.

Little Bobby Shantz and Johnny Kucks pitched the Yankees to their pair of victories before 41,304 fans at Comiskey Park. Shantz hurled a seven - hitter to beat southpaw Billy Pierce in the opener and benefited from a three-run rally in the fourth that included Mickey Mantle's two-run homer.

Kucks gave up only three hits in the nightcap as the Yanks routed left - hander Jack Harshman with a three - run rally in the fourth.

Boston capitalized on four unearned runs in the first inning of the opener as Cleveland's Bob Lemon suffered his third defeat, while Willard Nixon scattered 12 hits for his second win. Jackie Jensen's two - run homer helped Dave Sisler to his third victory

in the finale. Mike Garcia was the loser.

Aaron Big Gun

Charley Maxwell's two-run single off loser Connie Johnson in the seventh inning gave Detroit its decision over the Orioles.

Tom Morgan and Harry Simpson teamed up to carry Kansas City to victory over Washington. In winning his second game, Morgan scattered 10 hits and blanked the Senators until two were out in the ninth. Simpson drove in four runs with a double and a pair of singles.

Hank Aaron, raising his batting average to a cool .417, was the big gun for the Braves as they wiped out a 7-3 deficit and knocked out Sal Maglie after three innings to beat the Dodgers. Aaron drove in three runs and scored four with a homer, double and two singles.

A pair of route - going pitching jobs by Brooks Lawrence and Don Gross paved the way for Cincinnati's sweep over Pittsburgh. Lawrence committed three errors in the opener, but posted his third triumph when Frank Robinson belted a three - run homer in the fifth. Gus Bell and Roy McMillan each drove in two runs in the nightcap to help Gross best Bob Purkey. Bell and Hank Folles homered in the second game.

Ennis Comes "Home"

Del Ennis, making his first appearance in Philadelphia since being traded to the Cards, had a royal "homecoming" day as he batted in three runs in the first game against his ex - teammates and two more in the nightcap. The Phils blew a 4-0 lead in the first game, credited to reliever Lloyd Merritt. Sam Jones hurled a four-hitter to notch his second triumph in the finale. Bob Miller and Harvey Haddix were the losers.

Jim Bolger drove in five runs, three of them in the 10th inning, to help the Cubs snap their nine-game losing streak in the opener against the Giants. Rookie Dick Drott registered his first major league victory for the Cubs. In the nightcap, Joe Margoneri pitched a seven - hitter for the Giants, who drove Moe Drabowski to the showers in the third.

Surgery Advised For Cincinnati's Ted Kluszewski

CINCINNATI (AP) — Ted Kluszewski of the Cincinnati Redlegs, faced with one of the biggest decisions of his baseball career, was scheduled to be released from the hospital today.

The home run hitting first baseman, hampered by a painful hip injury for the past 14 months, pondered a recommendation by his doctors that he undergo surgery to correct a "slipped disc" in his lower spine.

If Ted decides to have the operation, it will mean being sidelined for the remainder of the season. If he waits until fall, he will be playing in pain again for the second straight year.

Kluszewski entered the hospital a week ago today for a complete examination by nine doctors. They reported during the week end that the first baseman was suffering from a "protruding intervertebral disc of the lower spine."

Kluszewski's wife, Eleanor, said her husband had not reached a decision.

"This is something Ted and I want to talk over," she said. "But the final decision is up to him."

U. I. Varsity Beats Grads, 26-7

CHAMPAIGN, Ill. (AP) — The University of Illinois varsity exploded small yardage into a 26-7 victory over the alumni Saturday in the first annual alumni-varsity football game.

The alumni, sparked by Tommy O'Connell of the Cleveland Browns, racked up a 271 yardage total. The varsity had 135 yards. But the grads were unable to contain their younger opponents, whose achievements included a 100-yard interception runback for a touchdown by freshman Rich Kreitling.

O'Connell, who led the Illini to their last Rose Bowl victory in 1951, completed 12 of 18 passes for 169 yards while teammates gained 102 yards rushing.

Bill Tate scored the alumni's lone touchdown while Kreitling, Ray Nitschke and L. T. Bonner accounted for varsity scores. The varsity also scored a safety when alumni halfback Mickey Bates was tackled in the end zone.

The Rare Adventure by BERNARD FERGUSON

Copyright, 1954 by Bernard Edward Ferguson. Distributed by NEA Service, Inc.

THE STORY: Trouble has broken out in Seknou, an island off the coast of Tunisia, and Mollie and Allan Lark have decided to accept protection of the French gendarmerie.

...

XII
Paleologue came across to the hotel with them and the policemen and joined them wholeheartedly in seeking out food and drink. "After all," he said, with a chuckle, "you were invited to enjoy the hospitality of the Fernana family; and as you could not go to Clusium, it is perfectly in order that you should enjoy it here."

There were two wicker chairs and a table in the garden, and at these he sat down his two guests, insisting himself on occupying a hard wooden one.

"I, too, am going into the town in a few minutes," he said, "but one must always eat. You must know that the situation in which we find ourselves is a grave one. Billion has only about 40 police on whom he thinks he can count; they are mainland men. His telephone is cut; but he has been told by radio that he cannot count on any aid, at any rate for some days. At present he is still hoping that he may be able to bluff the Seknou-

gais into believing that reinforcements are coming, but he does not really expect that he can keep the bluff for long. He is particularly worried about you two."

"That is what we cannot understand," said Mollie. "Does he think that we are somehow in league with the Seknougais?"

"He did at first; now I don't think he does. But the coincidence of your coming to Seknou at this time of all times naturally puzzled him. Do you realize what a stir your arrival has caused among the Seknougais?"

"I'm beginning to get an inkling of it," said Allan.

"Here in Seknou Al Merhametsiz has always been a figure of legend. It was he, as you certainly know, who made Seknou for many years into an independent Pashalik and defied the Bey; and even when the Bey crushed him at last, his influence went on. It would be too much to say that he was defied by the Seknougais; shall we say that he was canonized? And somehow they knew of your coming here long before the French authorities—some weeks, even, before your arrival."

"That's quite impossible," said Allan firmly.

"Did you write no letters saying you were coming? To an hotel,

perhaps?"
"Yes, I certainly wrote to the hotel in Tunis booking rooms."

...

Paleologue nodded wisely. "That might easily account for it. I have been here 30 years, Colonel, as I may have told you, and these people have good information about everything that may concern them. It is astonishing, the ties between those who have left the island and those who remain here."

"But why should we be of such interest? Is it really because we have connections with Al Merhametsiz?"

"I think," said Paleologue, "that I have failed to make you realize the degree to which the memory of Al Merhametsiz is venerated by these people. To the Mussulmans, he comes just after the Prophet; to the Jews, he is a greater than Maccabee. When I first came here, some of the more credulous people believed that he had never died, but was sleeping."

"But I still don't understand how the Seknougais were so quick at connecting my wife and myself with Al Merhametsiz."

"Your name, Colonel," cried Paleologue impatiently. "Al Merhametsiz, 'El Larg, 'Islander Larg, 'Iskander el Kebir'—he is known by all these names. There are even some people who say that Al Larg el Kebir is really 'El Larg el Kebir'—'The Great Larg,' and

not 'The Great Dune'."

"And why were they so certain that we were relations?"
"That I don't know. But all Orientals are great genealogists. No doubt your name appears in books of reference in England, such as our Bottin Mondain in France?"

"I'm bound to say," he remarked to Mollie, "that I had rather underestimated the circulation of Burke and Kelly in these parts."

"The atmosphere is more like Burke and Hare," said Mollie.

...

Paleologue laughed as he munched. "There is a third brother too, but he is a cripple and does not appear much. He too was well educated. In fact, he is the cleverest of the three. And, most important of all—there is their mother. About her, very little is known. No Frenchman, to my knowledge, has ever seen her. But she dispenses stern justice behind the scenes. She is virtually Sultana of Seknou. And she claims to be descended from Al Merhametsiz."

"Where does she live?"
"At Clusium, Colonel."

"Do you think we might have met her at luncheon today?"
"I think it possible."

"But to go on with our reconstruction," said Allan. "The Seknougais get to know somehow that we're coming to Tunis; they know exactly who we are, or they confirm that we are who they think; Camille checks that we were at the Nail Hotel."

"Believe me," said Paleologue, "I am not avoiding the rest of this conversation, but I too have some duties. I am going down into the town."

Illinois Lawmakers Receive Less Pay Than Those in Three States

By RAYMOND R. COFFEY
SPRINGFIELD (AP)—Illinois legislators, who have been assured of a pay raise this year, now receive less than their counterparts in New York, California and Massachusetts.

But the Illinois lawmakers, who get \$5,000 a year, are paid much more than legislators in other, smaller states.

California provides the best comparison with Illinois in the matter of legislators' pay.

California legislators, according to the 1957 World Almanac, are paid \$6,000 a year, plus \$14 a day expenses while in session. California holds regular sessions in odd-numbered years and budget sessions in even-numbered years.

This is precisely the arrangement proposed for Illinois in Gov. William G. Stratton's recommendation for annual legislative sessions.

The pressure for a pay increase for Illinois lawmakers is based on the assumption that there will be annual sessions and they will have to work every year instead of every two years.

A bill has been introduced in the Legislature to raise the lawmakers' pay to \$6,000 a year—the same pay received by California legislators. Illinois legislators do not receive daily expenses, but they do get travel expenses.

Administration leaders have announced that Stratton will approve a pay increase for legislators this session if one is passed by the General Assembly. Certainly there is no reason to doubt that the legislators will vote to raise their own pay.

In fact, in view of the governor's assurance, there could be a move to amend the pay increase bill to a higher figure. Pennsylvania, however, which is New York legislators are paid

\$7,500 a year, and they meet in annual sessions.

Massachusetts lawmakers receive \$5,200 a year plus travel expenses. They also have annual sessions.

New Jersey and Ohio both pay their legislators what Illinois lawmakers now get—\$5,000 a year. In the same class as Illinois ac-

cording to size and population, pays its legislators only \$3,000 a year. From these top figures, the pay of legislators around the nation ranges down to a flat \$5 a day in North Dakota, \$600 a session in Connecticut and \$872 a year in Nebraska.

The pay of legislators in neighboring states includes \$1,800 a year in Indiana, \$2,000 per session in Iowa where there is a session every two years, \$125 a month and mileage allowance in Missouri, and \$200 a month while in session in Wisconsin.

Stratton also has passed the word that he will not oppose a move to increase the length of state rep-

resentative terms from two to four years. That there would be such a move was reported by United Press last week.

Stratton's only condition was that the proposed constitutional amendment for four year terms not be tied to his proposed amendment for annual sessions. He does not want his annual sessions amendment to rise or fall on approval of four year terms.

Like the pay increase, the four-year term move is tied in with the prospect of annual sessions. If they have to work every year, some legislators feel, they shouldn't have to run for election so often.
